FUNDRAISING

As a part of this international trip, opportunities to raise a significant amount of the total (£850 pp) are widely available!

We have our fundraising team who are targeting a minimum goal (£6k) to help maximize your experience on this trip. Your involvement in this will help us reach this goal! Meaning we can reduce the cost of the trip for you!

We also encourage as many parents as possible to step forwards and join our fundraising squad as this trip is as much for you as it is for the youth!

Have any good ideas on how we can raise more money to help your child enjoy Croatia to its full potential, Let us know! And join our Fundraising squad!!

Speak to Kelvin, Claire, Steve, Lisa or Sarah about joining the team!
